# DESCALING PUMP

FOR A MULTI-MATERIALS ACTION

# 01

## DESCALE MORE EFFICIENTLY

Thanks to its electrical flow reverser, you attack the deposits in both directions

# 02

## HANDLE IT EFFORTLESSLY

Ergonomic design: top handle for balanced carrying and bottom handle for easy emptying.

IP54

33L/min

# 03

## FILL IN WITHOUT LOSING A DROP

Thanks to the special funnel that screws onto the tank instead of the cap.
